QUALITY ASSURANCE POLICY

The quality assurance policy of Turan-Astana University for the 2021-2022 academic year is aimed at implementing the Mission of the University and the Development Strategy for 2020-2025.
 Priority areas for the development of the University for the 2021-2022 academic year are:

• Further expansion of the range of educational services provided, modernization of educational programs in accordance with the requirements of the labor market, provision of practice-oriented and student-centered education.

• Transformation of the university into an entrepreneurial university by integrating science, education and practice; creation of an industry of new technologies/products/knowledge.

• Expansion of international relations through the development of internationalization and academic mobility; ensuring the implementation of the parameters of the Bologna process.

• Creation of conditions for ensuring the internal and external quality of the provided educational services, a culture of quality.

• Digitalization and automation of business processes, implementation of the SMART university model.

The management of the University "Turan-Astana" assumes obligations and is responsible for the implementation of the quality assurance system, the creation of conditions and resources necessary for the implementation of this Policy.

Adopted at a meeting of the Academic Council, Protocol No. __ dated "___" _____ 2021.
